From
Vision to
Practice

Highlights

To promote the advance in science, technology and practice of Fire Engineering, the Fire Division of The Hong Kong Institution of Engineers will organize its 9th Annual Symposium in April this year. The theme of the Symposium is "From Vision to Practice". It aims to facilitate the sharing of the evolution of Fire Safety Practice and exchange of new ideas and implementation strategy in relation to Fire Engineering.

Mr. Li Kin-yat, Director of Fire Services, has kindly consented to be our Guest of Honour and will deliver an opening speech. Prominent overseas and local speakers are invited to share their experiences and insights with our local experts and audiences of the event.
