

Celebration on the 10th anniversary of Fire Division Annual Dinner 2017

To celebrate and share the memorable moment of the 10th Anniversary of the Fire Division, more than 450 prominent guests and fire-related professionals attended the annual dinner on 14 November 2017 at Intercontinental Hong Kong. We were pleased to have Ir Dr Hon LO Wai Kwok, SBS, MH, JP, Member of Legislative Council to be our Guest of Honor and Ir Wilson TSANG, the Division Chairman of Fire Division to share his mission and vision to the participants.

The organizing committee members produced a video to showcase the highlights of the Fire Division in the past 10 years, through the video. Besides, two Green Leaf Artists from Arts with the Disabled Association Hong Kong were invited to give dance performance for the annual dinner on that night. The performance was very encouraging and touching.

Apart from the celebration, the annual dinner also served as a platform for participants to meet different fire engineers from business sectors and official sectors to share their experiences and insights about the industry development and strengthen their relationships with one another under an amicable setting.

The annual dinner could not be completed successfully without the support from all the sponsored companies and organizations. We were grateful to their participation and continue support to the Fire Division.
